The young men on the farms need to be told that the glare of the electric lights, the paved streets and other conveniences in a own or city are all artificial. beautiful scenery provided by nature in the rural districts With thousands of people seeking work of one kind and another, steps should be taken to place on the farms and in the new territory those who are willing to work and yet are idle in the cities. It is time to revive the "back to the farm" movement.-C. F.

Farmers Independent

Don't Do It. It is bad manners and bad busir etiquette for two employees of the same office to discuss the personal affairs of fellow workers or of their employer. Almost every worker is in possession of some private information as a result of his work, but that should be regarded as a trust not to be betrayed. It is also bad manners to inquire as to the wages or the particuar duties of fellow workmen.-Biddy
